

## All Falls Down

What's the trick? I wish I knew  
I'm so done with thinking through all the things I could've been  
And I know you want me, too  
All it takes is that one look at you and I run right \_\_\_\_\_ to you  
You cross that \_\_\_\_\_ and it's time to say F you  
What's the point in saying that when you know how I'll react?  
You think you can just take it back, but shit just don't work like that  
You're the \_\_\_\_\_ that I'm addicted to, and I want you so bad  
Guess I'm \_\_\_\_\_ with you, and that's that  
'Cause when it all falls down, then whatever  
When it don't work out for the better  
If it just ain't right, and it's time to say \_\_\_\_\_  
When it all falls down, when it all falls down  
I'll be fine  
I'll be fine  
You're the drug that I'm addicted to  
And I want you so bad, but I'll be fine  
Why we \_\_\_\_\_ ? I don't know  
We say what hurts the most  
Oh, I tried staying cold, but you take it personal  
All these firing shots and making ground  
It's way too hard to cope, but I still can't let you go  
'Cause when it all falls down, then whatever  
When it don't work out for the better  
If it just ain't \_\_\_\_\_ , and it's time to say goodbye  
When it all falls down, when it all falls down  
I'll be fine  
I'll be fine  
You're the drug that I'm addicted to and I want you so bad  
But I'll be fine  
I'll be fine, fine, fine  
Fine, fine, fine, fine, fine  
I'll be fine, fine, fine  
Fine, fine, fine, fine, fine  
I'll be fine, fine, fine  
Fine, fine, fine, fine, fine  
I'll be fine, fine, fine  
Fine, fine, fine, fine, fine  
'Cause when it all falls down, then whatever (Then whatever, babe)  
When it don't work out for the better (For the better)  
If it just ain't right, and it's time to say goodbye  
When it all falls down (When it all, when it all)  
When it all falls down (When it all falls down)  
I'll be fine  
(Fine, fine, fine) I'll be fine (I'll be fine)

You're the drug that I'm addicted to and I want you so bad  
But I'll be fine (I'll be fine), and that's \_\_\_\_\_
