

The 1. Society proudly presents its

ANNUAL DEBATE

This year the topic will be

'The 2. of other 3.'

Opportunity or distraction?

To take place in:

Comberton Village Hall

On Friday 27th May at 8 pm[^]

Guest speakers:

Dr 4. Brown

Dr. 5. Wilkins

All welcome

Notes:

Dr. Brown

- Colonization is only a matter of 6. and 7.....
- Spaceship must carry fuel, 8....., water and 9.....

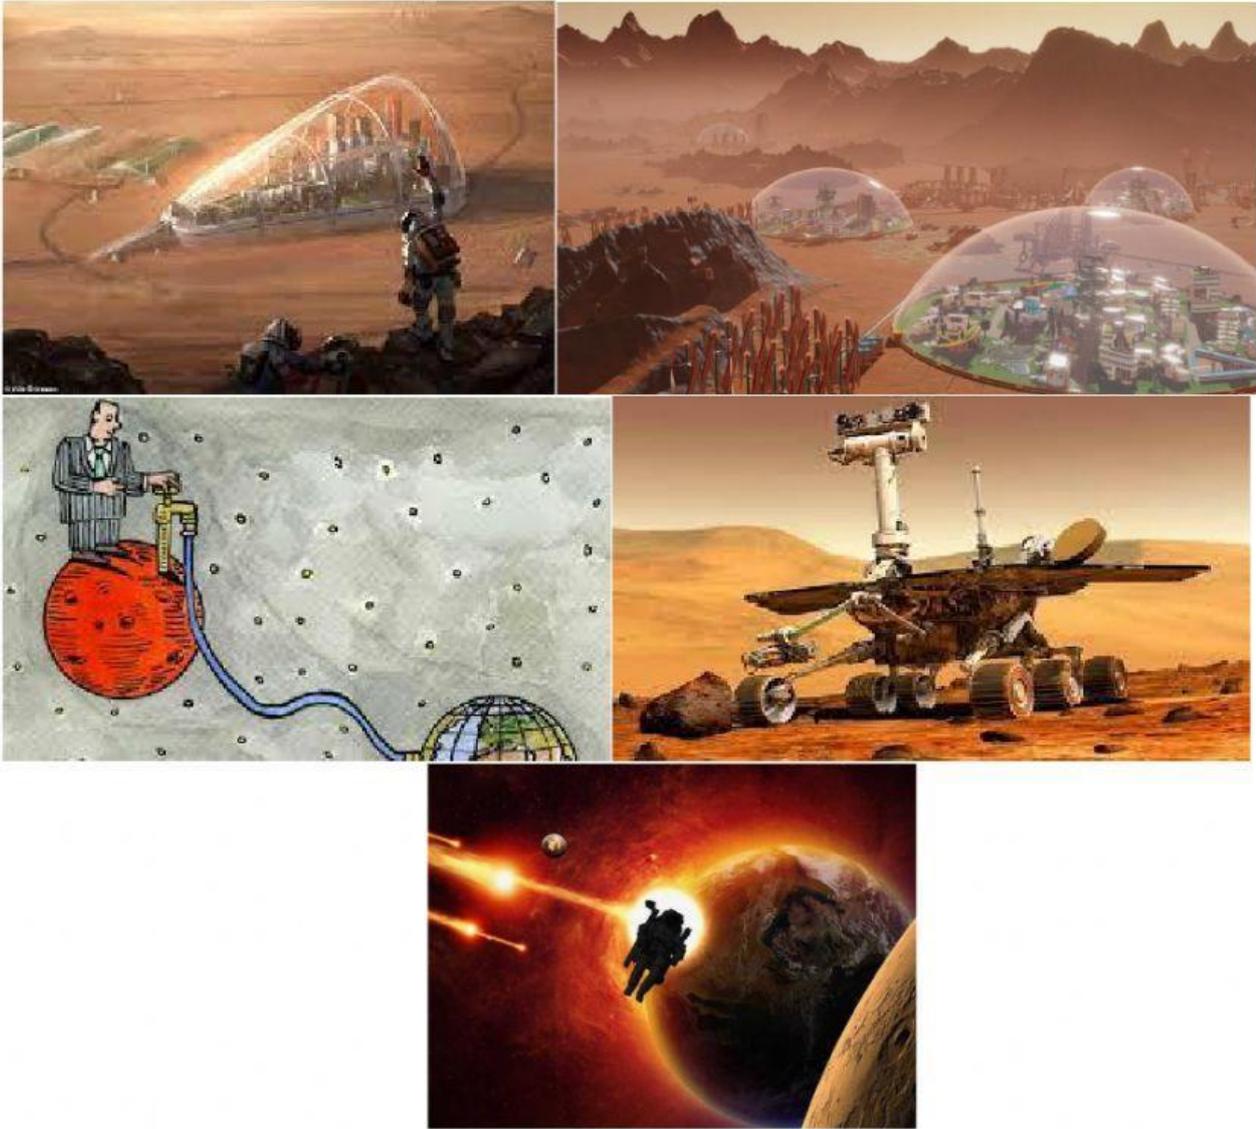

Three steps:

1. know how to 10. (Already know because of 11.....)
2. establish a colony on 12.
3. colonize 13.....

Dr Wilkins

- colonization is just too 14.....
- 15..... copper/ diamonds etc. are on the planets
- Should spend the money on 16..... on and 18.....

Look at the picture and make predictions with the question: What will happen if we colonize Mars?
