KEYS:

I never thought that I **would find** a way out
I never thought I'd hear my heartbeat so loud
I **can't believe** there's something left in my chest anymore
But goddamn, you got me in love again

I used to think that I was made out of stone
I used to spend so many nights on my **own**
I never knew I had it in me to dance **anymore**
But goddamn, you got me in love again

Show me that heaven's **right here**, baby
Touch me, so I know I'm not crazy
Never **have I ever** met somebody like you
Used to be afraid of love and what it **might do**
But goddamn, you got me in love again

You got me in love again (x3)

So many nights, my tears fell **harder than** rain
Scared I would take my broken heart to the grave
I'd rather **die** than have to live in a storm like before
But goddamn, you got me in love again

Show me that heaven's **right here**, baby
Touch me, so I know I'm not crazy
Never **have I ever** met somebody like you
Used to be afraid of love, and what it **might do**
But goddamn, you got me in love again

You got me in love again (x3)

I can't believe, I can't believe
I finally found someone
I'll sink my teeth in **disbelief**
'Cause you're the one that I want
I can't believe, I can't believe
I'm not afraid **anymore**
Goddamn, you got me in love again

I never thought that I **would find** a way out
I never thought I'd hear my heartbeat so loud
I **can't believe** there's something left in my chest anymore
Goddamn, you got me in love again

I can't believe, I can't believe
I finally found someone
I'll sink my teeth in **disbelief**
'Cause you're the one that I want
I can't believe there's something left inside my chest **anymore**
