

# Hurricane

[Halsey](#)

I went down to a \_\_\_\_\_ in Bed Stuy  
A little liquor on my lips  
I let him climb \_\_\_\_\_ my body  
And held him captive in my \_\_\_\_\_

And there's a storm you're starting now  
And there's a storm you're starting now  
And there's a storm you're starting  
I'm a wanderess

I'm a one night stand  
Don't belong to no city  
Don't belong to no man

I'm the violence in the pouring rain  
I'm a hurricane  
Ha ah ah ha ah ah ah  
I'm a hurricane  
Ha ah ah ha ah ah ah  
I'm a hurricane  
Ha ah ah ha ah ah ah  
I'm a hurricane

Ha ah ah ha ah ah ah  
I'm a wanderess  
I'm a one night stand  
Don't belong to no city

Don't belong to no man  
I'm the violence in the pouring rain  
I'm a hurricane

I went down to a \_\_\_\_\_ in Brooklyn  
Where you tripped on LSD  
And I found \_\_\_\_\_ reminded  
To keep you far away from \_\_\_\_\_  
And there's a storm you're starting now  
And there's a storm you're starting now  
And there's a storm you're starting  
I'm a wanderess

I'm a one night stand  
Don't belong to no city  
Don't belong to no man  
I'm the violence in the pouring rain

I'm a hurricane  
Ha ah ah ha ah ah ah  
I'm a hurricane  
Ha ah ah ha ah ah ah  
I'm a hurricane  
Ha ah ah ha ah ah ah  
I'm a hurricane  
Ha ah ah ha ah ah ah  
He says, Oh, baby, beggin' you to save me  
Well lately, I like 'em crazy  
Oh, maybe, you could devastate me

Little lady, come and fade me  
I'm a wanderess  
I'm a one night stand  
Don't belong to no city  
Don't belong to no man  
I'm the violence in the pouring rain  
I'm a hurricane
