

## "Accidentally In Love".Counting Crows

1\_ Read, listen and circle the right option.

So she said what's the **problem/matter** baby  
What's the problem I **don't/doesn't** know  
Well maybe I'm in **danger/love**  
Think about it every **time/day**  
I **sing/think** about it  
Can't stop thinking 'bout it

How much **longer/stronger** will it take to cure this  
Just to **save/cure** it cause I can't ignore it if it's love (love)  
Makes me wanna turn **over/around** and face me  
But I don't know nothing 'bout love

2\_ Read, listen and number the lines.

— Turn a little faster  
— Come on, come on  
— The world will follow after  
— Because everybody's after love  
— Come on, come on  
— Come on, come on

So I said I'm a snowball running  
Running down into the spring that's coming all  
this love  
Melting under blue skies  
Belting out sunlight  
Shimmering love

Well baby I surrender  
To the strawberry ice cream  
Never ever end of all this love  
Well I didn't mean to do it  
But there's no escaping your love

These lines of lightning  
Mean we're never alone  
Never alone, no, no

### 3\_ Unscramble the comparatives.
