EDINBURG

Edinburg is a city in the south of Scotland. It's an old city and it's got a population of about 500,000. There are a lot of shops, businesses and monuments.

I like Edinburgh because it's an interesting place and the people are really friendly. The shops here are really good and there are a lot of cinemas. My favourite places are the castle and the zoo.

There are some quite nice places near Edinburgh. It's only a few kilometres from the sea and there's a very pretty beach in Portobello. There are also trains and buses to Glasgow and the north. I like Glasgow, but I think Edinburgh is more interesting.
