

Name: _____

On the next page are the instructions for boiling an egg- but they are in the wrong order.

Instruction: Drag the number from the number box and place it correctly in the box before each step.

1 2 3 4
5 6 7 8

Boil gently for three minutes.

Turn off the heat.

Lower the heat to simmer.

Put the egg in the water
with a spoon.

The egg is ready to eat.

Put some cold water in a saucepan.

Take the egg out of the water
with a spoon.

Heat the water till it boils.
