

HAPPIER

OLIVIA RODRIGO

We a month ago

Your friends are mine, you know, I know

You, found someone new

One more girl who brings out the better in

you

And I my heart was detached

For all the sunlight of our past

But she's so, she's so

Does she mean you about me?

Oh, I hope you're, but not like how you

were with me

I'm, I know, I can't let you go

So find someone great but don't find no one better

I hope you're happy, but don't be happier

And do you tell her she's the most beautiful girl
you've ever seen?

An eternal love b***** you know you'll never mean
Remember when I believed
you it when you said it first to me?

And now I'm pickin' her apart

Like cuttin' her down will make you miss my wretched heart
But she's beautiful, she looks,
she probably gives you butterflies.

I hope you're happy, but not like how you were with me

I'm selfish, I know, I can't let you go

So find someone great but don't find no one better

I hope you're happy, I wish you all the best, really

Say you love her, baby, just not like you loved me

And think of me fondly when your hands are on her

I hope you're happy, but don't be happier
