Attention students! Our school will be holding a talk titled 'Good Money Skills'. The aim of the talk is to teach students how to save and spend money wisely. The fee for the talk is RM 5. A similar talk was also held the previous year and the fee was RM 8. This year students save RM 3.

The talk will be conducted by Madam Suhaila. She is a finance lecturer at Sunway University. Madam Suhaila has an undergraduate degree in finance from Universiti Utara Malaysia and a master's degree in finance from Universiti Teknologi Mara. She has fifteen years of experience as a finance lecturer. The talk will be held on 30 April. If your are interested in joining this talk, please register before 20 April with Miss Lim, the teacher-in-charge. However if you have registered but are unable to make it, you have to inform Miss Lim by 25 April.

We will be holding the talk at the school hall as it can accommodate more students. Originally, the talk was supposed to be held at media room but we realised it may not be big enough as we anticipate many students to attend the talk. Last year the talk was held at the library but the students found it was cramped. The talk will be from 2.30 p.m. until 3.30 p.m. After the talk there will be a short break, then at 3.40 p.m. there will be a questions and answers session. Students who attend the talk will get a free pocket calculator. For last year's talk students received a notebook for their budgeting.

Do join this talk to learn how to be financially savvy. It's never too early to start saving and making wise financial decisions.
