## I'VE GOT A ROBOT

I've got a \_\_\_\_\_, a robot, a robot.

I've got a robot in my house.

I've got a robot, a robot, a robot.

I've got a robot in my house.

He's got \_\_\_\_\_, he's got \_\_\_\_\_,

toes

He's got \_\_\_\_\_ and a \_\_\_\_\_

cook

and a \_\_\_\_\_.

robot

I've got a robot, a robot, a robot.

I've got a robot in my \_\_\_\_\_.

nose

I've got a robot, a robot, a robot.

wash

I've got a robot in my house.

fingers

He can \_\_\_\_\_ and sweep and clean,

To me he's a person, not a machine.

I've got a robot, a robot, a robot.

teacher

I've got a robot in my house.

house

I've got a robot, a robot, a robot.

I've got a robot in my house.

mouth

He can \_\_\_\_\_ and mend and sew,

eyes

He does my homework my \_\_\_\_\_  
doesn't know.

Oh! I've got a robot, a robot, a robot.

I've got a robot in my house.

I've got a robot, a robot, a robot.

I've got a robot in my house.
