

# THE FOUR SEASONS

Click here to study the topic:

## Video

## Lesson

1) Match each set of clothes to the corresponding season of the year.

2) Select the correct season for each description.

- It is the coldest season of all, its days are shorter, and its nights longer, with lower temperatures, which vary depending on the distance we are from the Equator. \_\_\_\_\_
- In this season, the days gradually shorten, temperatures drop and more winds and rains appear, the soils are filled with a wide range of colors, predominantly green, yellow, red and brown. The floor is covered with a Carpet of leaves that gradually fall from the trees. \_\_\_\_\_
- At this time the days are longer and the nights shorter. This is the hottest time of the year, with the highest temperatures. At this time of year, we wear lighter and fresher clothes, we go to the pool or the beach and we also enjoy the glorious holidays. \_\_\_\_\_
- It is a season full of life, light and color. The young of the animals appear, the trees are dressed in leaves and the butterflies exhibit their color. \_\_\_\_\_

3) Listen to the audios and select the appropriate season.

|                                                                                     |                                                                                      |                                                                                       |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |   |  |
| <input data-bbox="260 1554 458 1632" type="text"/>                                  | <input data-bbox="686 1568 884 1646" type="text"/>                                   | <input data-bbox="1120 1568 1318 1646" type="text"/>                                  |
|  |  |                                                                                       |
| <input data-bbox="459 1771 657 1850" type="text"/>                                  | <input data-bbox="906 1771 1104 1850" type="text"/>                                  |                                                                                       |
