Our Earth is threatened by serious 1) _____ ... problems, such as pollution and deforestation. I feel that all young people should get 2) _____ ... and help to protect it.

Firstly, environmental work would benefit young people in their future. It would be an excellent 3) _____ ... for them to learn valuable teamwork skills and gain a greater 4) _____ ... of responsibility. Because of this, they would be better qualified in the job market.

Secondly, young people help to cause environmental problems so they should help 5) _____ ... them. For example, young people use a lot of gadgets and electrical equipment which use a lot of energy. 6) _____ ... trees or cleaning up beaches would help make 7) _____ ... for this.

However, some people believe it is unfair to force young people to give up their free time. They are already under a great deal of pressure from their 8) _____ ... or work.

All in all, I believe young people should get involved with environmental protection. They have 9) _____ ... time and energy than older people. It is their responsibility too, to 10) _____ ... after the environment.
