

Growth or Fixed Mindset?

I can't do it! It's too hard for me.

Mistakes help me learn.

I can't do it yet...

Nothing is impossible.

I can learn anything if I try hard enough.

Some people are born smart and some people are born stupid. You can't change that.

If I keep practising, I will get better.

If I get the answer wrong, that means I'm not clever enough.

Learning makes my brain stronger.

I give up!

Clever people don't have to try hard.

I love to learn!
