

The field trip

I ..... that cold ..... day at school. It was a Monday when I was in year 11 and my Science class were all going on a ..... to the ..... When we got to the zoo, the class ..... It was loud, too ..... almost deafening. I was nearly trampled when getting out of the .....

A few ..... and I ran to see the ..... first. By the time we got to the monkeys, they were ..... As soon as we saw that our faces changed. It was ....., but we put that behind us and didn't let it..... our day.

As we ..... to the dingos, it started ..... My uniform was slowly ..... and my shirt ..... see-through. All of the class were bagging me out, that moment made it ..... day of my life. It was .....! Thankfully though, the same thing started to happen to others. I felt a lot better because I wasn't alone.

Throughout the day, the rain got ..... and I was cold. I even had a jumper on. But it wasn't warm enough.
