

Sherlock meets John Watson

Sherlock asks for his friend's phone because

- a) his own phone is glitching
- b) there is no land line in the office
- c) he needs to make a phone call from a different number

His friend can't lend him his cell phone because

- a) he doesn't have any
- b) he's left it in his coat pocket
- c) his phone is not working

Molly had removed her lipstick because she

- a) didn't feel comfortable wearing it
- b) drank coffee and smudged it
- c) didn't like the way she looked

Sherlock knew John Watson might be interested in sharing a flat because

- a) his friend had told him about it before the visit
- b) he simply figured it out
- c) he expected somebody to come

Sherlock leaves because he needs to **hush** / **dash** / **rush**.

They are going to meet each other tomorrow at _____ p.m.
at _____ Baker Street.
