

<i>Last night I was walking home next to the river Thames, when something strange happened to me.</i>	
	<i>I sat on some steps very close to the water's edge</i>
	<i>I decided to stop by the riverside and look at the moon for a while.</i>
	<i>I was tired and lonely and I'd just had a few pints of beer in my local pub,</i>
<i>I felt very tired so I closed my eyes and after few minutes, I fell asleep.</i>	

<i>When I woke up, the moon had moved behind a cloud and it was very dark and cold.</i>	
	<i>I looked down at the water and saw something. Something terrible and frightening, and unlike anything I'd ever seen before.</i>
	<i>Something was coming out of the water and moving towards me.</i>
	<i>I rubbed my eyes and started to get up, when suddenly I heard a splash.</i>
<i>Something was coming out of the water and moving towards me.</i>	

<i>It was a long green arm and it was stretching out from the water to grab my leg</i>	
	<i>Someone jumped onto the stairs next to me</i>
	<i>The cold green hand was moving closer and closer when suddenly there was a blue flash and a strange noise from behind me.</i>
	<i>I was so scared that I couldn't move.</i>
<i>He was wearing strange clothes and he had a crazy look in his eyes. He shouted "Get Back!" and pointed something at the monster in the water.</i>	

<i>There was a bright flash and the monster hissed and disappeared.</i>	
	<i>I'd never heard of moon goblins before. I didn't know what to do. "Who... who are you?" I asked him.</i>
	<i>He looked strange, but kind. "Don't fall asleep by the river when there's a full moon", he said "The Moon Goblins will get you."</i>
	<i>I'd never heard of moon goblins before. I didn't know what to do. "Who... who are you?" I asked him.</i>
<i>"You can call me... The Doctor."</i>
