

I call you when I.....my heart's on fire
You come to me, come to me wild and wild
When you to me
Give me I need
Give me a lifetime of promises and aof dreams
Speak a of love like you know what it means
And it can't be wrong
Take my heart and make it, baby

You're simply the best, all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and hang on every you say
Tear us apart, baby I would rather be

In your heart I see the star of every and every.....
In your eyes I get, I get washed away
Just as long as I'm in your arms
I could be in no place

Each time you me I start losing control
You're away with my heart and my soul
I can you even when I'm alone
Oh baby, don't let go
