

WHAT AND WHY?

Instruction:

Read the texts and answer the questions. You need to make one simple prediction of the occupations' job scope other than what are stated in the texts. Then, justify your predictions.

He saves people at the beach.

What else do you think his work is?

Why do you think so?

He repairs machines and vehicles at a workshop.

What else do you think his work is?

Why do you think so?

She teaches people in schools and colleges.

What else do you think her work is?

Why do you think so?

He grows crops, fruits and vegetables at a farm.

What else do you think his work is?

Why do you think so?
