

I see the light-*Tangled*

All those _____ watching from the windows
All those _____ outside looking in
All that _____ never even knowing
Just how blind I've been
Now I'm here blinking in the starlight
Now I'm here suddenly I _____
Standing here it's all so clear
I'm where I'm meant to be

And at last I see the _____
And it's like the _____ has lifted
And at last I see the light
And it's like the _____ is _____
And it's _____ and _____ and _____
And the world has somehow shifted
All at once everything looks different
Now that I see you

All those days chasing down a daydream
All those years living in a blur
All that time never truly seeing
Things, the way they were
Now she's here shining in the starlight
Now she's here suddenly I know
If she's here it's crystal clear
I'm where I'm meant to go

And at last I see the _____
And it's like the _____ has lifted
And at last I see the light
And it's like the _____ is _____
And it's _____ and _____ and _____
And the world has somehow shifted
All at once everything is different
Now that I see you
Now that I see you
