4. Найди по два лишних слова в каждом отрывке и выпиши их в порядке упоминания в тексте:

a) Earlier this year, a museum in Amsterdam was the scene of a terrible crime. Doing their rounds at the end of a busy day, curators were such horrified to discover that one of their most prized exhibits - a small shiny object glittering with 220 diamonds - was missing. A security video showed there two young men in baseball caps loitering near the display case, but the police had no other leads. The world's most expensive cheese slicer was gone.

Ответ:

b) Today, faculties which use the lecture method typically speak to a large numbers of students in a formal and very organized manner. The faculty member presents them his or her description of the key ideas of a subject, and gives interpretations that he often include current research and the issue.

Ответ:

5. Впиши в пропуски ОДНО подходящее по смыслу слово:

Whenever Kate meets any argument she pulls(1) back and immediately tries to ignore any critic to her address. (2) comes from her childhood when she experienced (3) a situation with a friend of (4) who provoked her for unreasonable actions and then criticized it any time it was possible.

6. Вставь в пропуски слова, образованные от данных в скобках:

The lecture method is the oldest approach to teaching in higher (1-EDUCATE). It originated in the earliest (2-EUROPE) universities during the 12th and 13th centuries. Before the (3-INTRODUCE) of the printing press in 1450, students had to create (4-THEMSELVES) own books by listening to lectures and writing down the words of their instructors.
