

## The Way I Still Love You

Not a \_\_\_\_ day goes by  
You ain't running through my mind  
I know its over but I can't deny  
'm still missing you  
And I'm torn cause I'll hella\_\_\_\_  
I know we had something special baby  
But now the \_\_\_\_ is that you're gone for good  
And I don't know what to do  
I try to stay \_\_\_\_  
I try to put it all aside  
I try and try and try and try  
Still it's no use  
Don't know what going on with me  
But all i know it's \_\_\_\_ me  
I need your love to set me free  
Listen to me  
Do you still think about me baby, baby  
\_\_\_\_ you're on my mind and it's driving me crazy, crazy  
Are you finally over me, you can tell me the truth  
Or do you still love me  
The way that I still love you  
Just the other day I seen you  
We \_\_\_\_ up for a little while  
You told me you were doing just fine

Well it was good to see you smile  
\_\_\_\_\_running through my head  
Feelings coming back, oh yeah  
Yeah and as hurt as I am  
You're happy with someone else  
I try to stay \_\_\_\_\_  
I try to put it all aside  
I try and try and try and try  
Still it's no use  
Don't know what going on with me  
But all I know it's \_\_\_\_\_ me  
I need your love to set me free  
Listen to me oh baby  
Do you still think about me baby, baby  
\_\_\_\_\_ you're on my mind and it's driving me crazy, crazy  
Are you finally over me, you can tell me the truth  
Or do you still love me..  
The way that I still love you  
Oh I know  
That I let love slip away  
And I'm going \_\_\_\_\_  
All because I want you back  
I need you back  
This is the biggest \_\_\_\_\_  
I'll ever have to face, oh yeah  
Do you still think about me baby, baby  
\_\_\_\_\_ you're on my mind and it's driving me crazy, crazy  
Are you finally over me, you can tell me the truth

Or do you still love me the way that i still love you
