

# It will rain

*Bruno Mars*

**Listen to the song and choose the best answer.**

If you ever **leave / litt/ lett** me baby,
**Leave/ you Leave / Left** some morphine at my door
'Cause it would **take / talk** a whole lot of medication
To realise what **we used to have / had / has,**
We **don't have / didn't have** it anymore.

There's no religion that **would / could / should** save me
No matter how long my knees **'ll be / were /are** on the floor
So **leave / keep / skip /** in mind all the sacrifices I'm making
Will keep you by my side
Will keep you from **talking / walking / working** out the door.

[Chorus]
Cause there **'ll / 'd / 's** be no sunlight
If I **was lost / lose / lost** you, baby
There'll be no clear skies
If I **will lose / lose** you, baby
Just like the clouds
My eyes **would do / will do** the same, if you walk away
Everyday it **will pain / rain /gain,** rain, rain...

I'll never **be / bit** your mother's favorite
Your daddy **can't / can** even look me in the eye
Oooh if I was in their shoes, I'd be doing the same thing
Saying there **goes / go** my little girl
Walking with that troublesome guy

But they're just afraid of something they **can't / can / could** understand
Oooh well little darlin' watch me change their minds
Yeah for you I'll try / I'll try I'll try I'll try
I **'ll pick up / would pick up / pick up** these broken pieces 'til I'm bleeding
If that'll make you mine
**[Chorus]**
Don't just **weigh/ say / pay**, goodbye
Don't just say, goodbye
I'll pick up these broken pieces 'til I'm bleeding
If * that'll **take / work/ make** it right
