Mayoor Private School, Abu Dhabi

Grade 2 EVS
Plants

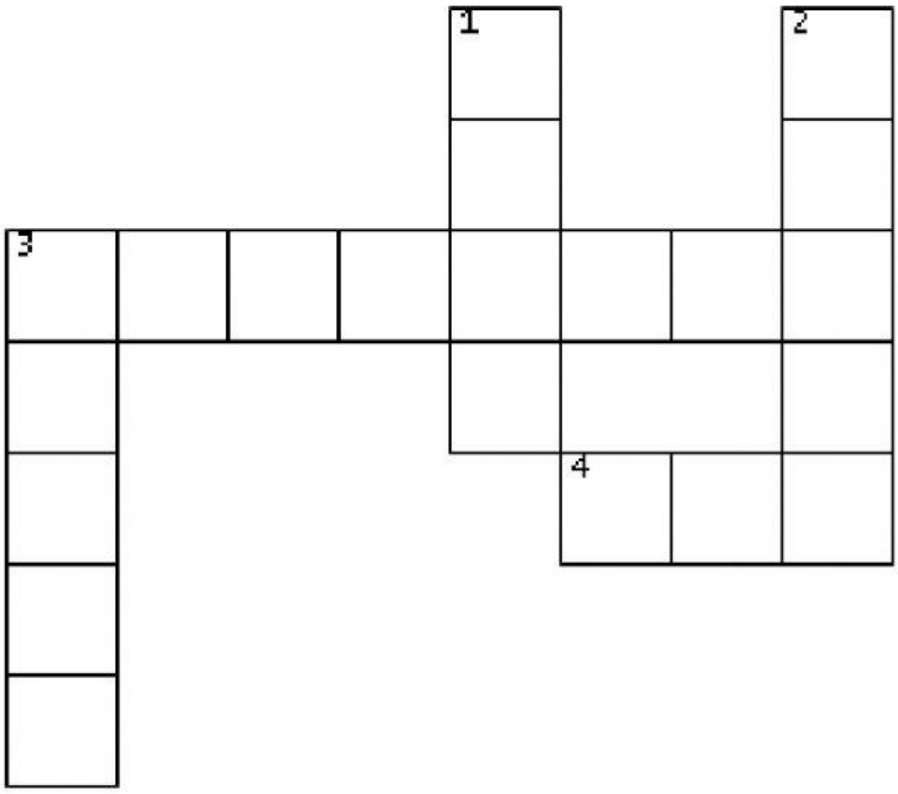

Use the clues to complete the puzzle on plant needs.

ACROSS

3. The leaves of the plants need this to make food.
4. Plants take in carbon dioxide from this.

DOWN

1. Plants absorb nutrients from this.
2. Plants drink this through their roots.
3. A plant's roots need this, so that they can spread out and absorb water and nutrients.
