**Questions 25-34**

Read the text below and answer the questions.

My name is Haley and I love reading. I started reading when I was three and I have not stopped reading fifteen years later. My parents often brought me to the library and it was a special place to me. It was almost magical as I discovered new friends in new worlds, doing wonderful things and making beautiful memories. My favourite books are fantasy-related ones. However, I also enjoy books on crime.

My favourite spot to read at home is a little reading corner my older brother made for me. It has three huge comfy cushions he bought and a nice patterned quilt my grandmother made for me. The corner is unfortunately not in my bedroom but that is not a problem, as it is still located away from the crowd, that is my family of seven. I sometimes don't even hear my mother calling me when I am lost in a book.

The last book series I read was the Kingfountain series by Jeff Wheeler. There are six books in the series and every one of them kept me occupied. I enjoyed reading about Owen as a young boy growing up to be a formidable warrior. The book is based on fantasy and magic. I had been saving up for almost half a year to afford the whole series and I have no regrets.

I think the next book I read will be a stand-alone book. Going through a whole series of books can be quite challenging at times. I will be looking forward to book recommendations from the Read-A-Book-Now Club I started in the neighbourhood. It is made up of friends and strangers who then become friends in our Seri Jaya neighbourhood. The members' age range from seven to sixty-eight! I am looking forward to watching the new Mary Poppins film as I read the book for the fifth time last year. It will be nice to see the book come to life! My sisters and I are all ready for it.
