Well, thank you for listening. Before I abandon you to continue ahead with your work, I want to say again that we are so happy to have you with us, and I wish you a very successful and good time here at Perkasanet's.

So, ladies and gentlemen, that completes my short introduction. The stones is a fascinating company, and I hope you'll get to know us better as you go around the plant. Cindy will be with you to show you around.

So, before I stop, let me just run over the key benefit. Firstly, flexibility. It will work anywhere. We've tried it over and over again and it works. Secondly, price. As you've seen, it will be very competitive. And finally, innovation. This really a breakthrough in the field. Now, I'll be happy to answer any questions.

That's the end of my presentation. I believe that some of you already knew something about our company. Hopefully, I've filled in some of the gaps. As you can see, we've got some hands-on experience.
