

Fact Family Worksheet

A house-shaped diagram for a fact family. The roof contains a circle with the number 30 at the peak, and two circles with the numbers 5 and 6 on the left and right slopes respectively. Inside the roof are the multiplication symbol (X) and the division symbol (÷). The main body of the house is a rectangle containing four rows of boxes for equations. The first row has the number 5 in the first box. The second row is empty. The third row has the number 5 in the third box. The fourth row is empty.

5	X		=	
	X		=	
	÷	5	=	
	÷		=	

A house-shaped diagram for a fact family. The roof contains a circle with the number 32 at the peak, and two circles with the numbers 4 and 8 on the left and right slopes respectively. Inside the roof are the multiplication symbol (X) and the division symbol (÷). The main body of the house is a rectangle containing four rows of boxes for equations. The first row has the number 4 in the first box. The second row is empty. The third row has the number 4 in the third box. The fourth row is empty.

4	X		=	
	X		=	
	÷	4	=	
	÷		=
