Listening and vocabulary

1 Listen to Jamie presenting the map for an art project at school. Number the places in the order he speaks. Match with arrows (→).

1	bowling alley
2	football stadium
3	market
4	park
5	shopping centre
6	skate park
7	sports centre

2 Listen again and choose between True and False.

1 Jamie lives in a small village. **True / False**
2 Jamie's house is near the sports centre. **True / False**
3 He goes to the sports centre on Saturdays and Sundays. **True / False**
4 He usually moves around by skateboard or bike. **True / False**
5 The shopping centre has got 10 shops and cinemas. **True / False**
6 Jamie's mum works in the school. **True / False**
7 Jamie's dad's office is next to the ferry port. **True / False**

3 Look again at the map. Drag the numbers from the map and drop them next to the correct places.

bus stop bike stand bus station car park
ferry port train station tram stop

4 Listen, check your answers to activity 3 and repeat the vocabulary words.
