CAREER ADVICE

Listen to a professor give advice on what to study at the university. Decide if each of the statements below are **True (T)** or **False (F)** according to what she says.

- Any personality is compatible with any career. T F
- Very sensitive people would be happy as doctors. T F
- People who are good with technology should consider engineering. T F
- Outgoing people can be good social workers. T F
- Introverted people should choose a job that allows them to work in groups. T F

Now listen again and make a list of the personality traits and professions you hear. After you do this, continue the list with other professions you know and personality traits that would be best for them.
