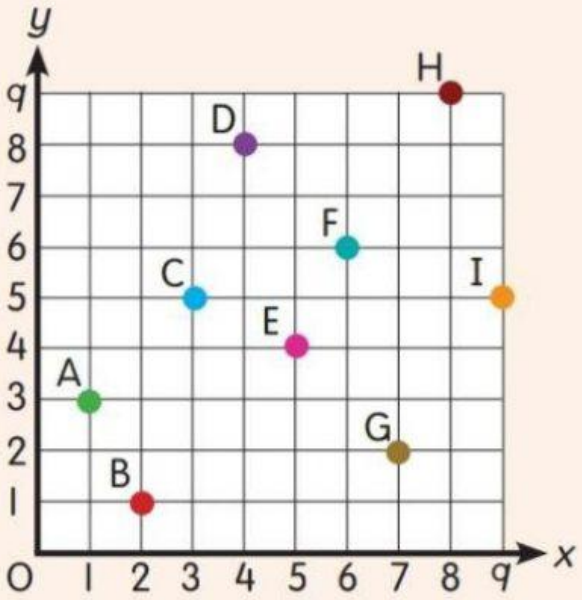
SKILFUL MIND

Let's help Akil and his friends play a game at the traditional game station.



Key:

- A Hopscotch
- B Coconut Shell Race
- C Top Spinning
- D *Congkak*
- E Five Stones
- F *Tating Lawi Ayam*
- G *Konda Kondi*
- H *Guli Garis*
- I *Sepak Raga*

1. Write the distance between the following stations.

   a) Top Spinning and *Sepak Raga*
   Horizontal: ____ units
   Vertical: ____ unit

   b) *Konda Kondi* and *Guli Garis*
   Horizontal: ____ unit
   Vertical: ____ units

   c) *Congkak* and Coconut Shell Race
   Horizontal: ____ units
   Vertical: ____ units

   d) *Tating Lawi Ayam* and Five Stones
   Horizontal: ____ unit
   Vertical: ____ units

2. Name two stations with the furthest horizontal distance.
   The two stations are ____ and ____.

3. Name two stations with the nearest vertical distance.
   The two stations are ____ and ____.

4. Which two stations have twice the horizontal distance between stations A and C, and the vertical distance is the same as the vertical distance between stations A and D?
