

LANGUAGE FOCUS : PAST SIMPLE

RULE

To form the past simple negative, we use didn't + verb in the base form.

Complete the text with the affirmative or negative form of the verbs.

A LIFE IN FILM

Between the ages of ten and twenty, Daniel Radcliffe (acted, didn't act) in seven Harry Potter films. In that time he (made, didn't make) other films and he (didn't go, went) to school. A tutor (didn't give, gave) special classes to all of the actors.

Sometimes very young actors have problems because their lives aren't normal, but Daniel (didn't have, had) a bad time. He (didn't love, loved) the job and (had, didn't have) a lot of friends and fun.
