```

The flowchart is titled "Carta Alir". It begins with a rounded rectangle labeled "MULA". An arrow points down to a rectangular process box containing the word "Letakkan" followed by a blank space. Another arrow points down to a second rectangular process box containing the instruction "Setkan nilai 0 pembaris pada bahagian tepi bahan". This is followed by two more empty rectangular boxes, each connected by a downward arrow. Finally, an arrow points down to a rounded rectangle labeled "TAMAT".
