When I grow (3) , I would like to (4)  a vet because I love  
animals and want (5)  help them. My family thinks (6)  is a  
great idea and encourages me (7)  much as they can.

I love travelling and have (8)  to many countries with my family. What  
I really like is meeting people (9)  other countries and seeing how  
they live and trying the food they eat. I love eating.

Please write back (10)  and tell me all about your life.

## PRACTICE 2

Hi Yoshi,

I am writing (1)  you because I need your help. I am doing a school project (2)  Japan, and as you are Japanese, I was hoping you could answer some questions (3)  me.

I have tried to find (4)  information in the library, but there isn't much available. Could you tell me how (5)  Islands there are and the kind of weather they have there?

I think the main diet is fish and rice, but is there anything else (6)  the Japanese diet?

Is the language (7)  same all over Japan or are there differences in the language spoken on different islands?

Finally, I need some information on cultural activities. What do Japanese people like (8)  do in their spare time, and are the cities different (9)  the countryside?

I would be very grateful for any help you can give (10) , and I really appreciate it.

Many thanks and lots of love,

Your friend,

Gary
