"Girl on Fire"

BY ALICIA KEYS

She's just a girl, and she's on fire
Hotter than a fantasy
Lonely like a highway
_____ in a world, and _____ on fire
Feeling the catastrophe, but she knows she can fly away

Oh, she got both feet on the ground
And _____ it down
Oh, she got her head in the clouds
And _____ down

(Chorus) This girl is on fire
This girl is on fire
She's walking on fire
This girl is on fire

Looks like a girl, but she's a flame
So bright, she _____ your eyes
Better look the other way
You _____, but you'll never forget her name
She's on top of the world
Hottest of the hottest girls, say

Oh, we got our feet on the ground
And _____ it down
Oh, got our head in the clouds
And _____ down

(Chorus) This girl is on fire
This girl is on fire
She's walking on fire
This girl is on fire

Everybody stares as she goes by
Cause they _____ the flame that's in her eyes
Watch her when she's lighting up the night
_____ that she's a lonely girl
And it's a lonely world
But she gon' let it burn, baby, burn, baby

(Chorus) This girl is on fire
This girl is on fire
She's walking on fire
This girl is on fire

She's just a girl, and she's on fire
