 - in expressions of frequency.
- 2 We use *the*
 - when the speaker and hearer know the thing we are talking about: *Close **the** window.* = the one that is open.
 - when there is only one of something: *the internet, the sun,* etc.
 - before superlative adjectives: *the biggest, the best,* etc.
- 3 We often use *a* the first time we mention a person or thing and then *the* the next time because it is now clear who or what we are talking about.
- 4 We don't usually use *the*
 - when we talk about people or things in general:
Men are more interested in sport than women. (general)
The women in this class work harder than the men. (specific)
 - before possessive 's. *She's my mother's cousin.* **NOT** *She's the my mother's cousin.*
