MUST AND MUSTN'T

Jill can help

Dear Jill,
I want to be an actor! I go to acting school.
At my new school, my teacher says I'm too quiet.
She says I must (1) talk more.
Sometimes we play a game. you throw a ball to a friend.
They catch it and do something funny. Then they throw it to you
and you do something funnier. But I can't catch the ball
and my friends laugh at me.
I'm bad at acting

Marina

Dear Marina
You .....(2) worry! It's really difficult to start a
new school, but you ..... (3) be quiet and shy.
You must be more talkative .
when you play the game don't catch the ball.
Drop it and do something funny. It's good to make your friends laugh.
Or you ..... (4) learn to catch the ball and do
something sporty. Or do both! AN actor..... (5)
learn to do many things.
You must be hardworking and you ..... (6) learn to act!
Then you can have lots of fun.
Jill
