HALLOWEEN

Great Britain and the USA celebrate Halloween every year on the last day of October. People wear scary masks and costumes to make the souls of dead people go away. The classic symbols of Halloween are horror characters: black cats, spiders, witches and ghosts and big orange pumpkins. Today, people and especially children enjoy Halloween costume parties. They dress up as witches, vampires and ghosts. Children in masks go from house to house and when the door opens, they say: "Trick or treat!" If they do not get sweets, they do something bad like throwing eggs at the house.
