

Practicando lo aprendido con Go Math

- *Complete la ruleta con los factores que faltan en las tablas de multiplicar*

- **Observe la siguiente matriz, encuentre un enunciado de la multiplicación y aplique la propiedad distributiva.**

1

2

$__ \times __$ $= __$

$__ \times __$ $= __$

$__ \times __ = __ \times (__ + __)$ 1 2 $__ \times __ = (__ \times __) + (__ \times __)$ $__ \times __ = __ + __$ $__ \times __ = __$
