Monster Shawn Mendes & Justin Bieber
You put me on a pedestal and tell me I'm the best
Raise me up into the sky until I'm short of, yeah
Fill me up with, I say what's in my
Spill my words and tear me down until there's nothin' left
Rearrange the just to fit me with the rest, yeah
*But what if I, what if I?
What if I, what if I fall?
Then am I the monster?
Just let me know
And what if I, what if I?
And what if I, what if I break? Yeah
Then am I the monster? Yeah
Just let me know, yeah, yeah, yeah
I was fifteen when the world put me on a pedestal
I had big dreams of doin' shows and makin' memories
Made some bad moves tryna act cool, by their jealousy
Liftin' me up (liftin' me up), liftin' me up (yeah)
And tearin' me down (down), tearin' me down, yeah (down, down)
I'll take for everything I've done (yeah)
Holdin' it against me like you're the one (yeah)
I had a chip on my shoulder, had to let it go
Cause unforgiveness keeps them in
I came in with good intentions then I let it go
And now I really wanna know
