## How do you spend your free time?

### Fiona

I'm really into sports. I play hockey, netball and tennis and I'm in a girls' football team. I also like meeting my friends in my free time. We meet every Saturday after football! People play football for fun in parks and playgrounds all over the UK. It's a very popular team sport.

### Teresa

In my free time, I surf the Internet. I love playing computer games and I really enjoy listening to music online. In the evening, I also like watching TV with my family. This is very popular in the UK. People watch about twenty-eight hours of TV every week. That's a lot of TV.

### John

I've got a lot of different hobbies. I'm interested in painting and photography, and I'm quite good at taking photos. I'm into drama too. But I also enjoy doing outdoor activities, for example, camping, and I'm a scout. There are 400,000 boy and girl scouts in the UK. Scouts love learning new things. At the moment, I'm doing my Outdoor Challenge Award and I'm learning how to cook on fire.
