Here comes a wave meant to me A tide that is taking me under Swallowing in sand left with My voice in the thunder	'Cause I I cannot start to crumble So come o and try Try to shut me and cut me down
But I won't cry And I won't start to Whenever they try To shut me or me	I won't be silenced You can't keep me quiet Won't tremble when you try it All I know is I won't go speechless speechless
I won't be You can't me Won't when you try it All I know is I won't go	Let the storm in I cannot be No, I won't live 'Cause I know that I won't go
'Cause I'll breathe When they try to me Don't you me 'Cause I know that I won't go	Try to lock me in this cage I won't just lay me down and die I will take these broken wings And watch me burn across the sky Hear the echo saying
Written in stone Every rule, every word Centuries old and unbending 'Stay in your place' 'Better seen and not heard' But now that story is ending
