2 Work in groups. Discuss a traditional health treatment in your country. Read the questions and write notes in your notebook.

- What is the treatment?
- What does the treatment do?
- What do you do with the treatment?
- Does anyone you know use the treatment?
- Do you think the treatment helps?

3 Choose one of the countries from Activity 1. Write about the similarities and differences between the traditional health treatment in this country and the traditional health treatment in your country. Write 25–35 words in your notebook.
