In New York City, many people haven't got gardens outside their homes. So people make gardens all over the city. The gardens are for everyone. Young people and old people help in the gardens. They work hard! They grow food – apples, beans, carrots, potatoes and tomatoes. Some gardens have got playgrounds next to them. Children play in the playgrounds. People are happy in the gardens.

In the morning, I get up at six o'clock. I get up early! I have a shower and get dressed. I have my breakfast – rice balls and miso soup. Then I go to school at eight o'clock. In the afternoon, I get home at three o'clock. I have a snack and I do my homework. I have dinner at seven o'clock – chicken and rice. Then I go to bed at nine o'clock.
