on your left
go down
go up

(1) _____ two streets until you get to Oak Road. Then
(2) _____. Go straight and turn right into Spring Road and
then turn (3) _____ into Park Street. (4) _____
the fire station and the post office and turn right into Fairview Street.
(5) _____ this street and I am (6) _____
opposite the hospital. Where am I?

At the _____.

2 Read and put the sentences in the correct order. Write (1-5).

- I'm sorry... did you say I have to turn left into Willow Street?
- Excuse me. How can I get to the chemist?
- Thank you very much.
- Yes, that's right.
- Go down this street and turn left into Willow Street. Take the second turning on the right and the chemist is on your left, opposite the post office.
