

Paso corto de fracciones

1.- Escribe la fracción que representa la región coloreada.

2.- Relaciona con una línea la fracción que representa la parte sombreada con su correspondiente expresión en palabras.

Cuatro séptimos

Dos cuartos

Cuatro sextos

Dos quintos

Dos séptimos

3.- Representa de forma gráfica las fracciones, para ello escribe un aspa en las partes que se indica.

$\frac{3}{5}$

$\frac{4}{6}$

$\frac{5}{8}$
