

Cher

Strong Enough

I don't need your sympathy/ love
There's nothing you can tell / say or do for me
And I don't want a miracle / mirror
You'll never/ always change for no one
And I hear your reasons who /why
Where did you sleep/ slept last night?
And was she want /worth it, was she worth it?
[Chorus] 'Cause I'm weak /strong enough to live without you
Strong enough and I quit shouting /crying
Long/ song enough, now I'm strong enough
To show /know you gotta go
There's no more to say
So save your breath and go /walk away
No matter what I hear / listen you say
I'm strong enough to know you gotta go
[Verse 2] So you feel / steal misunderstood
Baby/ honey have I got news for you
On being used, I could read / write the book
But you don't wanna hear about it
'Cause I've been losing sleep/ shoes
And you've been going rich /cheap
She ain't worth half of me,
it's true Now I'm telling / saying you, that
[Chorus] I'm strong enough to live/ go without you
Strong enough and I quit crying
Long enough, now I'm strong enough
To know you gotta go
[Bridge] Come / arrive hell or waters high
You'll never watch / see me cry

This is our last goodbye, it's false /true
I'm telling/ talking you, now
[Chorus] I'm strong enough to live without you
Strong enough and I quit crying
Long enough, now I'm weak/ strong enough
To know you gotta go
There's no money/ more to say
So save your breath/ water and walk away
No matter what I have /hear you say
I'm strong enough to know you gotta go
Now I'm strong enough to live without you
Strong enough and I stop /quit crying
Long enough, now I'm strong enough
To know/ slow you gotta go
There's no more to say
So save your water / breath and walk away
No matter what I hear you say/ tell
I'm strong enough to know you gotta go
