Read. Write T (True) or F (False)

My name is Michael White. I'm a reporter at a television studio. I go to work by bus and subway. I leave home for work at 6:45 and I walk to the bus stop. There's a bus stop near my house so I just have to cross the street and walk 2 minutes to get on the bus. The bus isn't very filled up when I get on but it is usually crowded by the end of the line. I take the 971T bus to the First Avenue and I get off at Grand Central Station. It takes me about an hour and a half to get to work every day.

1. Michael works at a train station. _____
2. It takes him about 2 minutes to get to work every day. _____
3. He gets off at Grand Central Station. _____
4. He never leaves home for work at 6:45. _____
5. There is one bus stop near his house. _____
