

Writing task (a description of your country)

Drag the paragraph subheadings and drop it to the right description to the subheadings.

.....

Kedah has many interesting places to visit. One of the must visit places is Ulu Legong Hot Springs in Baling. The natural hot water spring is believed to be able to cure skin diseases. Those who love beaches can enjoy white sandy beaches in Langkawi. The most amazing beach in Langkawi Island is Tanjong Rhu.

.....

Kedah is one of the coldest regions in Malaysia with an average daily high temperature of only 32 degree. Sungai Petani and Alor Star are the biggest cities in Kedah.

.....

Kedah is fairly small, covering an area of 9,425 km with villages scattered over paddy field. One would be able to enjoy looking at the lush green paddy fields enhanced by traditional Malay houses, coconut palms, local fruit trees and gently rolling hills.

Landscape	Places to visit	Climate
