

Here's Your Perfect

Jam

Listen to the song and choose **the best answer.**

I remember the May/day/way/
Even wrote down the date, that I fell/felt/fall for you
And now it's crossed out in red
But I still can /can't forget if I wanted too

And it dives/tries/drives me insane
Think I'm hearing your name, everywhere I go
But it's all in my hair/head/bed
It's just all in my head

But you won't see me back/break,
call you up in three days
Or send you a bouquet, saying,
"It's a mistake"
Drink my troubles away, one more glass of champagne
And you show/know/now

[Chorus]
I'm the first to say that I'm not perfect
And you're the first to say you want the best sing/thing/think
But now I know a perfect way to let you go
Give my last hello/say no, hope it's worth it
Here's your perfect

My best was just fine
How I tried, how I tried to be great/wait/gate for you
I'm flawed by design and you love to remind me
No better/matter what I do
