It gave me the ability to walk with my tired feet.

With them I have _____ cities and _____

And your house, your street and your patio.

Thanks to life, which has given me so much.
It gave me a heart, that causes my _____ to _____,
When I see the fruit of the human brain,
When I see good so far from bad,

It gave me laughter and it gave me longing.
With them I distinguish happiness and pain—
The two materials from which my songs are formed,
And your song, as well, which is the same song.
And everyone's song, which is my very song.
