Dear Alice,

I am very happy that you are coming to Brunei Darussalam for a holiday. It will be so nice to show you my country. I am sure you will like it very much. There are a lot of exciting things to do and beautiful places to see.

I will take you to Jerudong Park. It's a fun park with lots at rides. We will also go to Bukit Shahbandar. Bukit means hill. From this hill, you can see Jerudong Park and the sea. You will also see many beautiful mosques in my country. We will visit the Royal Regalia Museum and you will see a golden chariot there. You will also enjoy a ride in a water taxi around Kampung Ayer. It means water village. It is a good way to see the old part of our city, Bandar Seri Begawan. I know you like swimming so I will take you to Muara beach. I often go there with my family.

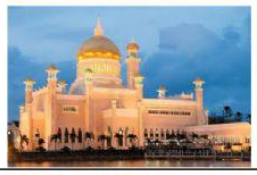

I know you will enjoy Brunei Darussalam and I can't wait until you come. See you soon.

Your friend,
Aisyah
